

Drake Headboard Assembly Instructions

Recommendations

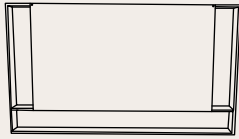

N.B: It is important to carefully read all instructions before beginning the assembly and before use of the furniture.

Keep the assembly instructions for future use.

It is recommended to assemble the headboard in its final place where it will be installed.

A minimum of 2 people are required for assembly.

Content

1 Central headboard
(Drake Headboard)

1 Left Side Arm / leg
(Drake Left Side Skirt)

1 Right Side Arm / leg
(Drake Right Side Skirt)

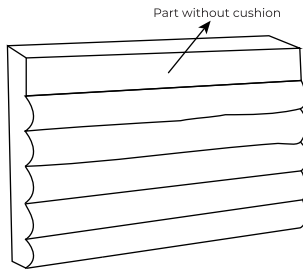

8 Allen screws
(80 mm)

1 Allen key
(5/32)

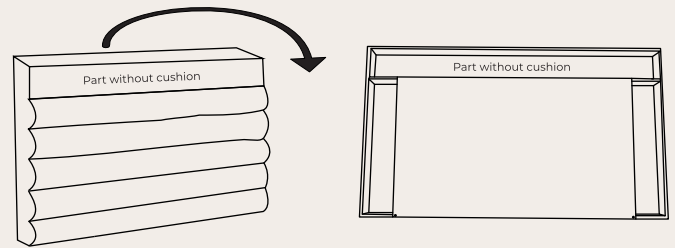

Step 1:

Take the Drake Headboard out of the packaging and with the help of **another person** lift it up leaving the part without cushion at the top as shown in the image.

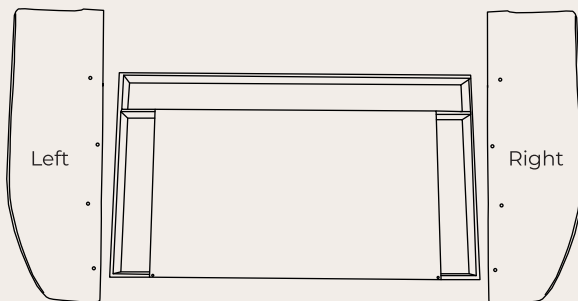

Step 2:

Rotate the Headboard **clockwise** with the rear facing you and lean it up against a flat surface that is safe.

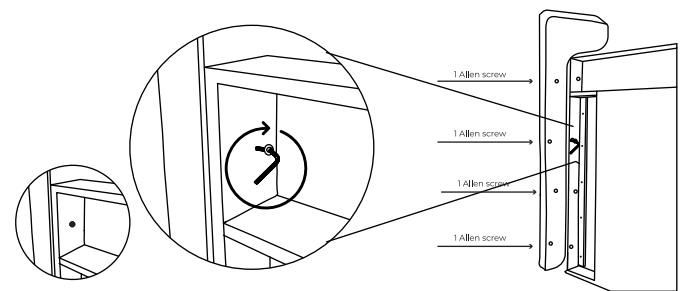

Step 3:

Proceed to open the second box and remove the **2 Drake Side Skirts** and identify the correct position at each end of the center header. (left and right).

Step 4:

Identify the 4 holes at the left end of the Headboard, using the 5/32 Allen key, insert the 4 screws in the holes starting from the inside of the Headboard and ending outside the arm, then screw together with Drake Left Side Skirt until both pieces are fixed together. Perform the same procedure for the far right. **Look at the picture:**

Step 5:

Lay the Headboard that is already assembled on the floor and proceed to **lift it up from the center with the help of another person**, leaving the front part in facing the front and arrange your new assembled piece wherever you would like.
