

Lucca 4 Person Dining Table Assembly Instructions

Recommendations

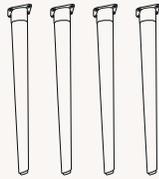

N.B.: It is important to carefully read all instructions before beginning the assembly and before use of the furniture.
**Periodically tighten all allen screws for optimal sturdiness of legs or base.

Keep the assembly instructions for future use.

In the black metal plate that holds each leg, you will find 2 small holes on one side, these should be turned in the direction of the center of the chair for a correct assembly. For more information see image.

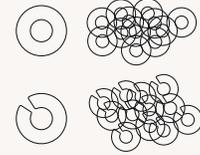

1 Table Top

4 Legs

16 Connecting Screws
(20 mm)

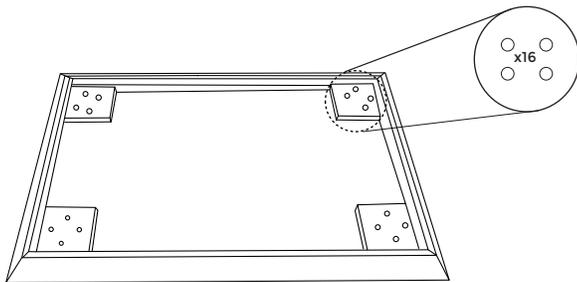

32 Rounds

1 Allen key
(5/16")

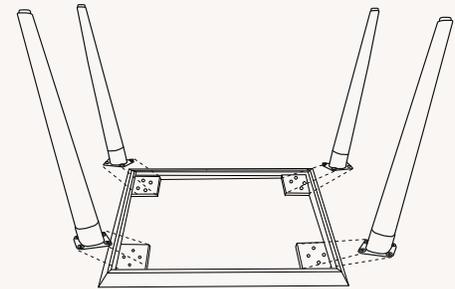

Step 1:

Remove the product packaging and place the table top face down on a flat surface and identify the 16 holes as shown in the picture.

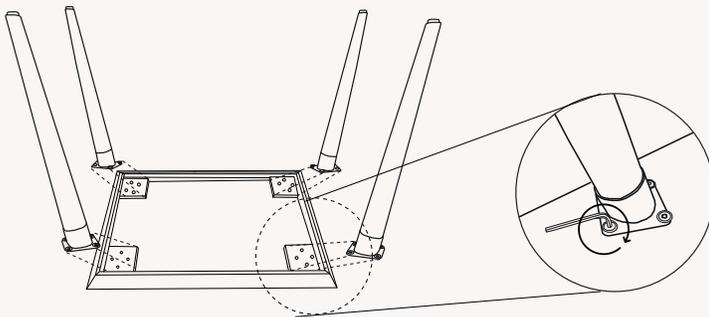

Step 2:

Take 1 of the 4 legs that come inside the packaging and identify the 4 holes in the black metal plate and mate with the 4 holes on one side of the table top in such a way that the 8 holes match respecting the angle as shown in the picture. Perform the same procedure with the 4 legs.

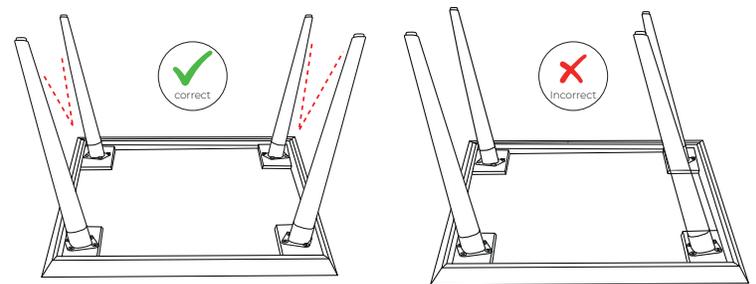

Step 3:

Once the legs are in place, through each hole insert 2 washers together with a 20 mm connector screw and turn clockwise joining the plate to the table top with the help of the 5/16 allen wrench, perform the same procedure with the remaining 3 holes.

Step 4:

Repeat step 3 on the remaining 3 legs. for proper operation, it is important that the front legs and rear legs simulate the letter "V" in their arrangement as shown in the picture.

Step 5:

Once the legs are attached to the deck rotate the table top and place it on the floor to corroborate the level and design of the Lucca Dining Table shown in the image.
